Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of Tahoe Metropolitan Planning Organization (TMPO) Administrative Modification No. 4 to their 2008/09 – 2011/12 Federal Transportation Improvement Program (FTIP). This Administrative Modification adds \$29,460,000 from the American Recovery and Reinvestment Act of 2009 funds into TMPO's State Highway Operation and Protection Program (SHOPP) Mandates grouped project listing and replaces the existing SHOPP funding by the same amount. The total amount programmed remains the same.

TMPO submitted the change as an Administrative Modification consistent with the Federal Statewide Transportation Improvement Program (FSTIP) modification procedures. Since Administrative Modifications do not require Federal Highway Administration or Federal Transit Administration approval, this FTIP Administrative Modification has been included in California's 2009 FSTIP.

Please address any questions on this Administrative Modification to Jody Tian, of my staff, at (916) 654-2853.

Sincerely,
