RE: Administrative Modification to the Fiscal Year 2009 - 2012 Statewide Transportation Improvement Program (STIP)

Dear Mr. Rogers:

Pursuant to the jointly adopted Administrative Modification procedures, the Nevada Department of Transportation (NDOT) intends to modify the FY 2009 – 2012 Statewide Transportation Improvement Program (STIP). This change is needed to facilitate. These changes are also needed to update the projects scheduled for the American Recovery and Reinvestment Act (ARRA) of 2009 for the Rural and Small Urban Transit projects. Please find attached the new ARRA STIP sheets **Statewide 39 & 40** that reflect these modifications.

NDOT has received Rural and Small Urban applications for Section 5311 funding. As of this date, these changes will not impact any other projects in the STIP. Please incorporate this letter and the attached replacement pages in the adopted FY 2009 - 2012 STIP.

If you have any questions about this Administrative Modification please contact Coy Peacock at (775) 888-7124.

Sincerely,

Tracy Larkin-Thomason
 Assistant Director Planning
