8/4/10	Steve Teshara, Sustainable Community Advocates	I have discussed the current FTIP update process with Cindy Gustafson, General Manager, and Bob Bolton, Director of Parks and Recreation at the Tahoe City Public Utility District. Bob advises that Phase 7 of the Tahoe City Lakeside Trail is scheduled to begin construction this year (2010). Phases 5 and 6 are scheduled to begin construction by May 1, 2011 and be complete by July 1, 2012, subject to funding availability.
