**RE: Administrative Modification No. 11 to the Tahoe Metropolitan Planning Organization 2013 Federal Transportation Improvement Program**

Dear Ms. Klekar:

Pursuant to the jointly adopted Administrative Modification procedures, the Nevada Department of Transportation (NDOT) intends to modify the FY 2014 – 2017 Statewide Transportation Improvement Program (STIP).

This Administrative Modification action modifies the Nevada Stateline to Stateline Bikeway project by reallocating the remaining portion of Public Land Highways funds programmed in construction from FFY 2012 to FFY2014 for Phase 1D construction in the amount of \$813,825.

As of this date this change will not impact any other projects in the STIP. Please incorporate this letter and the new STIP pages into the adopted FY2014-2017 STIP.

Should you have any questions or need assistance in processing this action please contact Joseph Spencer at 888-7121 or Coy Peacock at 888-7124.

Sincerely,

Rudy Malfabon, P.E.  
Director
