**Re: Amendment No. 9 to the Tahoe Metropolitan Planning Organization (TMPO) 2013
TIP and to the FY 2014 – 2017 STIP**

Dear Mr. Malfabon:

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have reviewed the TMPO Amendment #9 to the FY 2014-2017 Statewide Transportation Improvement Program (STIP) transmitted in your March 31, 2014 letter with the amended STIP pages. The amendment was approved by the MPO Board on March 21, 2014.

We have determined that the changes to the TIP and STIP do not require a Federal conformity determination. We find this STIP amendment was developed through a continuing, cooperative, and comprehensive transportation planning process in accordance with the statewide and metropolitan transportation planning provisions of 23 U.S.C. § 134, 135, and 49 U.S.C. Chapter 53. Therefore, in accordance with the *Memorandum of Understanding between the Federal Highway Administration, Nevada Division, and the Federal Transit Administration, Region IX*, the FHWA's single signature constitutes FHWA and FTA's joint approval of TMPO Amendment #9 to the FY 2014-2017 STIP. If you have questions or need additional information concerning this approval, please contact Steve Call at (801) 955-3513.

Sincerely,

**STEVEN A
