Dear Mr. Hannon and Mr. Sukys:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Tahoe Metropolitan Planning Organization's (TMPO) 2014/15 – 2017/18 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
2	State Element <ul style="list-style-type: none">This amendment programs a project to lease a high efficiency sweeper for use on the California side of the TMPO region. This project is funded from the Southern Nevada Public Lands Management Act.

See enclosure.

TMPO has certified that the amendment is financially constrained, does not change air quality conformity, and meets the requirements of public involvement procedures adopted by TMPO.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve TMPO's Amendment Number 2. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2015 Federal Statewide Transportation Improvement Program (FSTIP). Approval of this amendment does not constitute an eligibility determination of the project for federal funding.

Mr. Vincent P. Mammano/Mr. Leslie T. Rogers
